Jose Consulting Ltd.

Brand Guideline

Usage Guidelines

Using our brand assets correctly

1. Logo Usage

Generally, the "logo colors" act as pop colors in illustrations or icons but should not be used in design elements.

2. Brand Assets

Please do not use, display, mirror or frame (including in metatags or hidden text) our company assets.

3. Color Palette

Avoid deviating from the core set of colors or creating tints of these values.

Color Palette

Our brand uses colors purposefully to communicate how things function in the interface. This helps us create visual patterns that can make interacting with our product easier and more predictable.

Jose Consulting Ltd.

Logo Light

Our logo is our most valuable asset. It's not a shape-shifter, and doesn't have plans to become one anytime soon. So, please do not edit, change, or distort it in any way.

Jose Consulting Ltd.

Logo Dark

Our logo is our most valuable asset. It's not a shape-shifter, and doesn't have plans to become one anytime soon. So, please do not edit, change, or distort it in any way.
